

HELLO SPRING!

at Central Coast Holiday Parks

SEPTEMBER 2018

The perfect time to get outdoors

Spring into these school holidays with a holiday at one of our holiday parks. With the weather warming up, flowers blooming and the birds singing, there's no better time to be outdoors.

Our parks have planned exciting school holiday activities to keep the family entertained between exploring the local attractions and enjoying some family fun. If you haven't booked your family getaway, there's no better time than now.
